

WELCOME RODEO FANS

A parade at 4 p.m. today, (Thursday) will mark the opening of the second annual Junior Rodeo sponsored by the Hamlin Riding Club which features performances at 7:30 p.m. Thursday, Friday and Saturday at the Hamlin Riding Club Arena.

The parade will be led by the

Hamlin High School band. The parade consist of Sheriff's posses, riding clubs, individual entries, floats and other displays. Trophies will be awarded to the two top riding clubs.

After forming at the ball park, the parade will move east to South Central and then north to Lake Drive.

Contestants are 19 years of age and under and events include two go-rounds in bull riding, bareback bronc riding, pole bending race, tie-down calf roping, ribbon roping, breakaway roping, sponsor's contest for girls 15 through 19, open barrel race for ages 14 and under, and a special one go-round

greased pig race.

More than 100 contestants participated in the rodeo last year and a larger number is expected for this year's rodeo.

More entries were received by Wednesday morning than were received at the same time last year with bull and bronc riders leading the list.

Entries will be taken until noon Thursday by Cliff Reynolds, Mrs. La Foy Patterson or Mrs. Herman Wood.

La Foy Patterson, president, said Wednesday the stock is ready and erection of the bleachers has been completed. The bulls and some horses will be furnished by Roland Reed

of Fort Worth and the riding club will furnish the remainder of the stock. The new bleachers will increase the seating capacity at the arena to 600.

Two saddles will be awarded at the rodeo. Contestants will have to enter two events in order to be eligible to win. One saddle will go to the best all-

round cowboy and one to the best all-round cowgirl.

A coke party for the sponsors will be taking part in the Hamlin Junior Rodeo will be held in the home of Mrs. W. T. Johnson Saturday afternoon from 4:30 to 6:00 o'clock.

Co-hostesses with Mrs. Johnson will be Mrs. Don Elmore,

Rebecca Ferguson and Lou Ann Hawkins.

Merchants in downtown Hamlin have placed banners on store fronts and across South Central to add to the rodeo spirit.

Rodeo admission prices are \$1 for adults and 50c for children.

Nominees Selected for County ASC Committee

In accordance with established procedure community election boards recently met and named a slate of ten nominees for each of the four ASC Communities in the county in preparation for the holding of the Annual ASC Committee Election, M. S. Jones, County Office Manager of the Jones County ASC reported this week.

The Community Election Boards, consisting of three eligible voters from each community, were appointed by County representatives of the Extension Service, the Soil Conservation Service, the Farmers Home Administration, and the Farm Bureau. The persons so appointed for each of the four communities were: Ralph Riddle, Dale Lain and Irby Weaver in Community "A"; Harrell Duff, Louis Manske and Okey Richards in Community "B"; Mack R. Collins, B. R. Doty and James R. Harp in community "C"; Vessie R. Justice, Charlie Propst and Clifford Sprayberry in Community "D".

The ten individuals nominated by the Boards for each of the four communities are as follows: Community "A": W. Bryan Agnew, Woodrow Bagley, Gayle Baize, C. A. Baucum, James W. Brown, G. W. Drummond, Willie Holloway, Joe O. Murff, Harold Nelson, and A. A. Smith. Community "B": Jack Fuqua, L. W. Larson, A. H. Lindsey, Rice Moss, Tom Nix, Okey Richards, I. H. Rogers, J. B. Schoonmaker, Claude Thompson and J. E. Youngquist. Community "C": Lewis

Carman, Mack Doty, Franklin Godfrey, George W. Keesee, Jack Morrow, Elbert E. Newton, D. C. Rister, Sr., Norman Sloan, Charles Smith and Billy L. Vinson. Community "D": Don O. Cromeens, Clayton Dillard, R. D. Ely, R. L. Goza, A. D. Hill, George T. (Sam) Mashburn, Leonard McCoy, John McKinney, J. C. Rainwater and W. C. Thompson.

The names of the ten nominees listed above for each community will be entered on the official ballot for the community in which they were selected. Additional names may be entered on the ballot for any community by request on a petition signed by at least ten eligible voters in the community. Any names added to the ballot must be presented to the Chairman of the Community Election Board not later than August 19, 1960. The chairman of the Community Election Boards are: Ralph Riddle for Community "A"; Harrell Duff for Community "B"; Mack R. Collins for Community "C"; and Vessie R. Justice for Community "D".

The boundary lines of Communities A, B, C, and D correspond to the County Commissioner Precincts 1, 2, 3 and 4 respectively. The ballots bearing the ten names selected by the Community Election Boards and those added by petition will be mailed to voters that are known to be eligible to vote during the week August 22-26, 1960. The voters will mark their ballots for the individuals of their

choice and return them to the ASC Office in Anson by mail not later than September 7, 1960. The producer will vote for any five persons whose names are listed on the ballot or he may write in the names of his choice if he does not care to vote for any of the persons whose names are printed on the ballot. The five individuals who receive the highest number of votes in each community will make up the Community Committee for 1960. The persons who receive the highest number of votes in each of the four communities will meet in a County Convention to elect the County Committee for 1961.

The Committeemen elected will take office on the date of October 1, 1960. Their duties will include the selection of practices on which cost-share assistance will be offered under the Agricultural Conservation Program and performance of other jobs assigned under the various programs administered by ASC.

PHONE BOOKS TO BE MAILED HERE FRIDAY

The new Hamlin telephone directories will be mailed Friday, says Gene Adkisson, mgr. for the Southwestern Bell Telephone Company. Over 2,300 copies have been printed for distribution to telephone subscribers here. There will be extra copies for replacements for those used in public telephone booths and other places where a lot of use occurs.

This year's directory contains 10 "white" or alphabetical pages with approximately 1,500 listings. It contains 20 classified or "Yellow Pages".

Names of people who had telephones as late as July 20 will be listed in the new directory, Adkisson said.

Old directories should be thrown away after August 21. However, out-of-town and frequently used telephone numbers should be copied in the new directory before throwing the old book away, Adkisson cautioned.

BCD Office to Handle All Paving Paper Work

A special meeting of officials of the City Council, Jaycees, and Board of Community Development was called Wednesday morning in the BCD office to eliminate confusion and misunderstandings regarding the street paving project.

It was pointed out that the confusion followed after it was disclosed that the City had forms for applying for time-payment loan to cover cost of

paving. The City Hall had not received those forms and knew nothing about the program. The forms had been received but were the wrong kind and had not been issued to the proper authority.

To simplify the processing of applicants for time-payment loans, Joe Hudspeth, Street Commissioner, asked the BCD to handle the paper work since duty was not in any way the responsibility of the City.

B. V. Newberry, president of the BCD, approved this recommendation pending final decision from the board of directors Monday night, August 15. He also pointed out that the BCD would not have to await the board's decision but that if there was any objection to this move, the board would have the final say.

Jerry Howard, president of the Hamlin Jaycees, reported the progress the Jaycees had made and that they were being met with opposition after individuals had been told different stories. By having a central agency who has the information and the facilities to handle paper work, this confusion would be eliminated.

Mayor John Howard Jr. stressed the importance of those wanting paving on their street to get their money to the City Hall before August 20. This must be done to allow time for processing bids, awarding contracts, and getting machinery and equipment here to do the job.

Mrs. Sol Branscum First to Identify 'Mystery Farm'

Mrs. Sol Branscum was first to identify the "Mystery Farm" which is owned by Barto Jameson. The Jameson Ranch is located west of Hamlin on Route 2.

Others who identified the farm picture were: Holly Toler, Mrs. Lala Harbert, Mrs. Herbert Lakey, Mrs. Dan Branscum, Durwin Maberry, Richard Young, Mrs. Roy Thompson, Bobby Seifres, Mrs. Carlens George and Mrs. Pearl Cooper.

SEASON TICKETS TO GO SALE AUGUST 22

Hamlin High School season tickets for home football games will be placed on sale Monday, August 22, in the high school principal's office. Season ticket buyers will have first choice of seats except those of option. The tickets are sold on a first come, first served basis.

Adult tickets are \$5.00 for the season, which offers a saving of \$1.25, and student tickets are \$3.00 for the season, a saving of \$.75.

Abilene Jaycees To Host Seminar Saturday, Aug. 13

The Abilene Junior Chamber of Commerce will present a Seminar Against Communism on Saturday, August 13, at the V. F. W. Hall in Abilene. William Strube, Jr. secretary of the Anti-Communist Christian Crusade, will conduct the lecture series.

Registration is scheduled at 8:45 A. M. with three seminar sessions 9-12, 2-5, and 7-9. Attendance is not compulsory but all interested persons are invited to hear as much of the program as meets their schedule.

Strube is recognized as a noted authority of the evils of communism and the methods of combating it. He is recognized in every state in the union.

The Abilene Jaycees invite each church and civic club to have at least one delegate for the seminar and it is hoped that the program will be of interest to all people in the central west Texas area.

Singing Sunday

The Jones County second Sunday singing will meet at 2:30 p.m. Sunday at the Corinth Baptist Church.

The public and all singers are invited to attend according to Felix Thompson, president of the group.

Hamlin Schools Pre-Registration To Start Aug. 22

Pre-registration for Hamlin High School students will begin August 22, according to Principal B. V. Newberry. Further schedules will be announced next week.

M. D. Carlton, principal of junior high stated there would be no pre-registration for the junior high students.

Local Service Station Robbed Over Weekend

A break-in at Alton Mayfield's Service Station was discovered Monday morning by Jack Galloway, local driver for Gulf Oil Co.

The business was apparently burglarized sometime over the weekend. Entry is believed to have been made by prying the lock off the door at the rear of the building.

Two rolls of pennies were taken from the register and the cigarette machine was broken open. The amount of money taken from each machine is unknown.

Mayfield and his family were in Dallas visiting relatives at the time of the incident.

Young Farmers Postpone Supper

A watermelon supper for the Hamlin Young Farmers Club which was scheduled for this evening (Thursday) has been postponed. The watermelon supper for members and their families was originally set for 8:00 o'clock this evening at the oil mill guest house.

Guy Weaver, reporter for the club, said the members would be notified of a new date for the feast.

TWO LOCAL CARS INVOLVED IN WEST TEXAS SWAPPING SPREE

Two Hamlin cars were involved in a car swapping expedition which started in Amarillo and was ended when the persons involved were apprehended in Ballinger Wednesday.

A car, which was stolen at Amarillo, was driven to Memphis, Tex., where it was left at a hospital and a Memphis car was taken. The Memphis car was then driven into Hamlin Tuesday evening and left in front of the Joe Ford home at

151 NW Avenue H. Ford's pickup truck was then driven to Robert Partman's home and swapped for Gartman's 1958 Chevrolet which was driven to Abilene. The Gartman car was taken sometime after 10 p.m.

Apparently the person or persons taking part in the shuffling of cars decided on another car in Abilene. They left Gartman's car in Abilene and drove another one to Coleman.

Two guns, a shotgun and a rifle and a pistol which belonged to Gartman were in the car when it was taken. The guns were recovered by Abilene police and the pistol is being held by the Coleman sheriff.

Although the persons were in custody in Ballinger Wednesday afternoon, it was not known here as to the name or number of persons involved.

There was no apparent damage to the cars.

Several From Stonewall Plan To Attend Meet

Billie Ann Vahlencamp, Carolyn Sanders and Jerry Cannon of Old Glory and Jerry Kennedy of Aspermont will represent Stonewall County at the Annual District Electric Training meeting at Vernon Fri. The meet is sponsored by the Extension Service and West Texas Utilities Co. The quota for each county is two boys and two girls and this group was chosen for the outstanding work they had done in electricity in 4-H.

Several from Stonewall plan to attend the meet. The group will be accompanied by Jerry Cannon of Old Glory and Jerry Kennedy of Aspermont.

COTTON PRICE SUPPORT TO USE SAME METHODS AS LAST YEAR

Price support for the 1960 crop upland cotton will be available to growers through the same methods used for the 1959 crop, R. G. Rowell of the Jones County Agricultural Stabilization and Conservation Office said July 27.

As under the 1959 program, 1960-crop nonrecourse price support will be available through purchases of upland cotton grown in compliance with Choice (A) farm allotments and through loans on eligible Choice (B) upland cotton. The local 1960-crop upland cotton Choice (A) support is 32.37 cents per pound, and the Choice (B) support is 26.58 cents per pound, both Midding 1-inch cotton.

Nonrecourse cotton price-support loans and purchases in 1960 will be subject to a \$50,000 limitation, as required by legislation. A producer will be exempt from this limitation if his 1960 farm cotton acreage has been reduced 20 per cent

below his 1959 acreage and his reduction is not offset by other producers on the farm. Price-support advances in excess of the \$50,000 limitation will be made to non-exempt producers in the form of recourse loans.

The purchases and loans again in 1960 will be made by persons and firms which meet requirements prescribed by the Commodity Credit Corporation and which have entered into agreements with CCC to make purchases from or loans to producers, or they will be made directly by CCC through the New Orleans Commodity Stabilization Service Office.

Purchasing and sales agencies approved under the 1959 program will not have to apply for approval under the 1960-61 cotton purchase program, according to Mr. Rowell. Other persons or firms who wish to act as purchasing or sales agencies should apply to the New Orleans CSS Commodity Office, 120 Marais Street, New Orleans 16, La.

1960 FOOTBALL SEASON NEARS, FALL CAMP TO START MONDAY

With the football season only three weeks away, the Pied Pipers will start workouts Monday. They will meet the Cisco Lobos at Cisco, September 2, to get their schedule underway.

The boys will start practice with fall camp, at which time they will be quartered at the field house and take their meals at the cafeteria. They will have two workouts each day with the camp ending Saturday morning.

Coach D. C. Andrews is expecting some 36-37 boys out for the camp, with four offen-

sive and five defensive starters back from last year.

The boys will report to school Sunday night about 9:30 and the camp will get underway Monday morning.

In preparation for the football season, the high school coaches attended the Texas High School Coaches Clinic this past week in Dallas. Coaches attending from here were Andrews, Jimmy Vaughn, Ed Farmer and Neil Laminack.

After fall camp, two-day practice sessions will continue until start of school.

Mrs. Joe Ray Rosenbaum of Pampa and Mrs. Ken Smith of Tyler were hostesses in the home of their father, O. D. Roland.

Mrs. Smith greeted guests and introduced the honoree. Mrs. Rosenbaum served coffee.

The table, covered with a green linen cloth, was centered with an arrangement of white gladiolas and carnations in a white pedestal vase. Appointments of crystal and silver were used.

Other guests were Ginger Rabjohn, Mary Ann Willbanks, Doty Allbritton, Mmes. Benny Watson, Leon Smith, Kenneth Barnett of Abilene and John Rowland of Houma, La.

Garden Club Adds Two Members At August 2 Meet

The Hamlin Garden Club met Tuesday, August 2, for a called meeting in the home of Mrs. Joe League, president.

Names of two members were presented and were received into membership by unanimous vote. They are Mrs. Tarleton Willingham and Mrs. C. G. Green.

Mrs. League appointed Mrs. Arlie Cassle flower show chairman for the coming with Mrs. Louis Gordon as publicity chairman. Mrs. Herman Wood was elected reporter for the club.

Reports were given by the following standing committees: civic beautification, conservation, fund raising, membership and yearbook.

The treasurer's report was also approved.

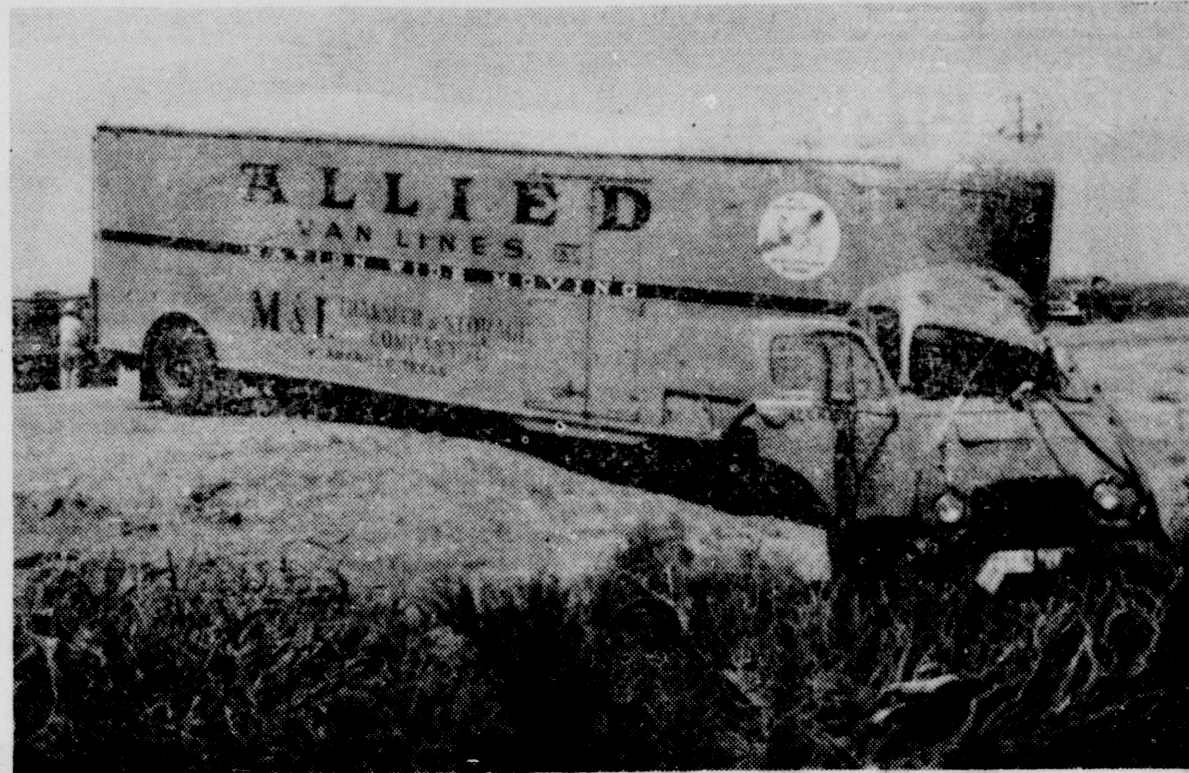

Sixteen members were present.

Sylvester Methodist Church Revival To Begin Sunday

A revival at Sylvester Methodist Church will begin Sunday morning, August 14, with the Rev. L. J. Helm of Brownfield as the evangelist. Services will be held at 10:00 a.m. and 8 p.m. each day through August 21.

Rev. Charles Byers, pastor, has extended a cordial invitation to everyone to attend these services.

Rev. Helm is a former pastor of Pioneer Memorial Methodist Church, 15 miles south of Merkel.

INJURED PAIR HAVE BEEN DISMISSED—Two Amarillo men were injured when the moving van, pictured above, struck a bridge about five miles southeast of Hamlin and skidded on its side into a pasture. The driver, Richard Jewel Smith, 32, and his step-son, George Huffman Jr., 17, were both thrown from the vehicle. They were hospitalized from early Tuesday morning, following the accident, to Saturday when they were dismissed from Hamlin Memorial Hospital. The truck is shown at the scene of the accident after being turned upright.

W. G. ROUNTREE AWARDED CERTIFICATE OF COMPETENCY

Skill and knowledge of water plant operation has won a Grade B "certificate of competency" for W. G. Rountree of Hamlin.

The certificate was awarded under Texas' general sanitation law that plants furnishing water to the public must be under the supervision of an operator who has proven his talents for the job in a written examination and has been certified by the Texas State Department of Health.

Carol Joe Simpson In Top 100 to Apply At Baylor University

Carol Joe Simpson, who will enter Baylor University this fall, was recently selected one of the top 100 of all the freshmen who made application at the University for the fall session.

The selection of the top students was made on their record of outstanding work in high school. Their extra-curricular activities were also considered.

She selected her courses and instructors when she was in Waco a few weeks ago with her parents, Mr. and Mrs. Joe A. Simpson. She enrolled as a medical student. Miss Simpson will go to Waco about September 10. She will live at Ruth Collins Dormitory.

Rountree's newly won certificate will be valid for five years. After meeting certain requirements of experience and training, he will be eligible to try for higher certification.

Grade B certificates are issued in specific fields of water plant operation: administration, distribution, production, and quality control. Applicants must successfully pass a written examination covering such diverse subjects as water quality requirements, pumps, sanitation requirements, bacteriological analysis and pipe laying and maintenance.

Under the law, only one operator on each shift has to hold certification, but other plant personnel often seek certification on their own time and at their own expense to advance themselves professionally and to increase their efficiency as public servants.

Grade B certification requires three years' experience, plus 80 "credits" earned by attending district and state schools sponsored by the State Health Department, A and M College Engineering Extension Service and Texas Water and Sewage Works Association.

District 4H Electrical Training Meeting Planned at Vernon

A District 4H Electrical Training meeting, sponsored by the Extension Service and West Texas Utilities Company, will be held Friday, August 12, at 10:00 a.m. in the Wilbarger Memorial Auditorium, Vernon, according to announcement by Mary Newberry, Jones County Home Demonstration Agent and Kirby Clayton, County Agent.

The use of electricity and electrical equipment in the home and on the farm will be discussed. 4H club members will gain ideas for electrical demonstrations to be given by them later. Representing Jones County at this district meeting will be Phylcia Roberts, Carolyn Bagley, Lester Dalton, L. C. Middleton, an adult leader and the local extension agents.

Dr. William Patillo Named to Group

Dr. William A. Patillo of Hamlin has been named a member of the district officers conference committee of the Texas State Chiropractic Association, it was announced this week.

The duties of the committee are to make arrangements for the annual conference of 100 district officers of the association. This year's conference will be announced in Austin in September.

His appointment was announced by Dr. Roy W. Logan of Corpus Christi, state president of the association, and has been approved by the association's board of directors.

Cheryl, Pam and Melissa Wallace of Haviland, Kansas, are visiting their grandparents, Mr. and Mrs. O. L. Wallace, and their grandfather, D. M. White, and other relatives. They will be in Hamlin for about two weeks when their parents, Mr. and Mrs. Gene Boekhorst will come for them. Also visiting in the Wallace home from Wednesday through Sunday was a grandson, Richard Simmons of Sweetwater.

Dewayne Butler of Snyder is visiting his grandparents, Mr. and Mrs. E. G. Smith.

HOW TO CALL LONG DISTANCE AND SAVE 1/3

It's so easy to save yourself a lot of money. How? By placing your Long Distance calls station-to-station (to a distant number rather than to a particular person.)

Here's the way to do it:

1. Give the operator the name of the city you want to call.
2. Next, tell her the number you are calling.
3. When the operator asks, give her the number you are calling from.

Why not try it tonight? Remember, rates are lower after 6 p.m. and all day Sunday.

Call by number. It's twice as fast.

Pathologist Urges Farmers to Plan Ahead on Root Rot

College Station.—Plan several years in advance to effectively reduce cotton root rot, advises Dr. Harlan E. Smith, extension plant pathologist. Root rot losses of cotton can be reduced. However, a combination of practices carried on for a number of years is necessary for best results.

Deep plowing this year will help in most cases to reduce the disease next year. The turning under of a large tonnage matter prior to growing cotton will help. The growing of resistant crops in rotation also helps. However, none of these are a sure control when used alone. For example, rains immediately following the deep plowing will tend to cancel out the benefits of disease deduction. Too, crop rotation helps little if susceptible weeds grow in resistant crops.

Producing early cotton will, in most cases, help the cotton to escape root rot damage. Several factors are important in producing early cotton including the control of seedling diseases.

JAMESON RANCH
Route 2, Hamlin

LAST WEEK'S MYSTERY FARM IN JAMESON FAMILY SINCE 1893

The Jameson Ranch, which was the "mystery farm" of the week is located 16 and a half miles northwest of Rotan or Hamlin Rural Route No. 2.

The owner, B. Jameson, has lived on the ranch for 66 years. His father bought the land in 1893. He bought a man's claim and then expanded. The ranch now includes 10 sections.

Jameson and his wife, Gertie, were married in 1920. They have three children, Clifford of Cress, Glenn and Estel, both of the home.

The Jamesons have built an eight room, two-story home on the place since their marriage.

Mrs. Jameson enjoys sewing and gardening and Jameson lists his hobby as cattle raising.

The ranch is stocked with 200 head of hereford cattle and future plans are for adding more cattle.

SAVING HUMAN LIVES
KARACHI, Pakistan — A recent survey showed that 1 of every 10 babies died in birth attended by untrained midwives; only 3 out of 1,000 when a trained midwife was on hand. CARE is helping to expand training programs, by providing midwifery kits for class instruction and personal use by the graduates. The \$25 kits subscribed by Americans through CARE officers in the U. City Bakery Changes Ownership

August 13, 1920

A business deal was closed here last Friday whereby the City Bakery, which has for so long owned and operated by Rigdon Edwards passed into the hands of C. L. Thompson. The consideration was \$16,000 and included the building, the bakery and the fixtures. Mr. Thompson says he even took over the force of dandy clerks. Mr. Edwards has served Hamlin for a long time and through many and varied years of prosperity and hardship. Charlie Thompson can come as nearly as anyone else running the bakery to the old time standard.

Nazarene College, which is the recognized church school of the Hamlin, San Antonio and the New Mexico District, of the Nazarene church, has secured a new president in the person

of Mr. A. S. London of Oklahoma City. Rev. London is already on the ground and getting things ready for opening the new term of school. He reports that school will begin at the College on September 15th. A new course of study will be arranged and placed before the prospective students. This is now the only school of this denomination in Texas. The school at Greenville has disbanded so it is reported and that leaves the Hamlin College the only one in the entire district.

Mr. and Mrs. J. B. Gouger, of Dallas, first class music teachers on violin, piano, cornet and other instruments, are located permanently in Hamlin. Come to us and get a first class training in music. Our studio is two doors south of Methodist Church.

Charles Prater to Attend Jamboree

August 9, 1935

The many friends of Charles Prater, son of Mr. and Mrs. C.C. Prater, are glad to learn that Charles has been selected to represent the Hamlin Boy Scout Troop in the big Jamboree in Washington this month. Charles will leave with about thirty other scouts in a special train from Texas out of Fort Worth—and what a trip. The National or International Jamboree will be worth a whole year of schooling.

Charles had better take a lot of notes of what he sees and hears because the Hamlin folks will expect to hear a lot of that

15 YEARS AGO—

World War II Ends in Victory

Aug. 17, 1945

World War II Ends in Victory was the Headlines for the paper this week. Yes, the greatest war of all times has ended, a war that affected more people than ever before and nearly every corner of the world, history will record its many angles, its beginnings, its spread, its horrors, and the unlimited human sufferings.

Yes, it is over, and there is so much to be done, so much is expected, and so many heartaches yet to come. We look back over the past three years, eight months and seven days, the longest war period in the history of the United States, and really long before that, as the way of freedom was at stake. Today we stand on the threshold of a better world, if we grasp it, or a world of extermination, if we don't. Let us not be arrogant believing "We Did It," but give our God and our religion all the glory for proving our Democratic way of life, our cause was filled with power from on High.

There is a feeling of humbleness and gratitude on this day of victory.

Pvt. Brad Rowland arrived last Friday from Ft. Knox, Ky., to have ten days at home while on his way to Ft. Ord, Calif. Brad has been in the army since March 23, 1945. He is in an Armored Replacement unit. All of his friends in Hamlin hope that this young man (age 37) will be released soon and get to come back to his wife and four sons whose ages range from eight years to 16. He was the only one in a big lot of men they could not find some physical fault with, that meant he drew a big, iron tank to drive in all the imaginable rough places, including water and up and down steep hills.

Fall planting time is fast approaching and soil samples should be submitted at once for fields to be planted. The soil testing laboratory can take the guess of what fertilizers to apply.

HIGHLIGHTS AND SIDELIGHTS

By Vern Sanford

Texas Press Association

AUSTIN, Tex.—About a dozen state agencies thus far have presented their budget requests for the 1961-63 biennium.

As yet, none has failed to ask for more money than it's presently getting.

Many agencies cite Texas' growing population as justification for expansion. They say, in effect, that they are in the same position as the housewife who has to put another potato in the pot to set another place on the table.

Others seek to woo state funds with a "bread cast upon the waters" approach. They contend that money spent on developing the state's resources will come back multiplied in the form of increased state revenue.

Almost all emphasize the difficulties of luring and holding highly trained personnel at preset state salaries. Some say, too, that they've been working with a too-short stick for years and need some "keep up with the times" improvements.

Budget proposals are presently being studied by the Legislative Budget Board and the Governor's budget staff. Each will make recommendations, and the final decision will be made next year by the Legislature.

With a money-short, tax-fighting session ahead, it won't be easy for any one.

These budget requests have been added to those already under study.

STATE PARKS—An investment in state parks is an investment in the Tex. tourist industry and a potentially rich source of additional funds for the state treasury.

This is the theme of the State Parks Board in asking for a \$2,000,000 appropriation for the next two years. This is almost double the present spending level.

Of this million-dollar-a-year appropriation, the Board proposes to use \$700,000 a year for improvements, \$300,000 a year for administration.

Texas, says parks director Bill Collins, spends less on its state parks than Rhode Island. He cited figures showing that Texas would get \$81,000,000 a year more in tax revenue if each out-of-state visitor stayed in the state one more day.

GENERAL LAND OFFICE—A bigger budget is asked by the General Land Office and Veterans Land Board to assure the state's realizing full value from the resources of state-owned lands.

A two-year budget of some \$3,042,339 is asked.

Land Office noted the state now has clear title to 8,000 sq. miles of tidelands. It wants to employ three oil scouts and a geological director to explore the development of the tidelands' mineral resources. Altogether, 29 new landoffice employees are being asked.

Land Office claims that for every dollar it has spent in the past 22 years, \$90.18 has been returned to the state treasury in revenue.

AGRICULTURE—Complexities of increasingly scientific farming put greater demands on the State Department of Agriculture, says Commissioner John C. White.

His "sink or swim" budget request is for \$3,061,421 for the coming two-year period. This compares with a \$1,930,966 appropriation for the present period.

White said the "chemical revolution" in agriculture today puts heavy responsibilities on his department. He also asked for more equipment and more salaries for personnel to check weights and measures.

HIGHWAYS—State Highway Department is asking for a two-year allocation of some \$698,600,000.

Of this, \$348,300,000 would be for the 1961-62 period; and \$350,300,000 for the 1962-63 period. This compares with \$337,000,000 spent by the Highway Department in 1959.

Most of the highway revenue comes from special earmarked sources, such as the gasoline tax, license fees, etc. Department is asking \$600,000 from the general revenue fund to be used for tourist advertising.

GAME AND FISH—Game and Fish Commission is asking for what is called a "status quo" budget, except for salary raises for some of its top technical personnel.

Commission is asking for \$12,034,945 for the coming two-year period compared to some \$11,593,651 for the present biennium.

Executive Director Howard Dodgen declared the commission's top echelon employees are "grossly underpaid" for highly trained persons, some with master's degrees.

STATE COLLEGES—Three colleges, East Texas State, Stephen F. Austin State and Sam Houston State Teachers College, have told the Commission on Higher Education they need more money.

Expected enrollment increases, need for higher faculty salaries and need to lower the student-teacher ratio were cited as reasons for the requests.

East Texas is asking \$2,446,555 for the first year, \$2,547,125 for the second year of the 1961-63 period. This compares with a present annual budget of \$1,676,424.

Stephen F. Austin asks \$2,063,719 for the first year, \$2,048,603 the second, compared to the present \$1,224,370 a year.

Sam Houston wants \$2,970,261 the first year, \$2,992,190 the second. Present annual spending is \$2,040,677.

These requests, along with all those from state-supported colleges and universities, will be studied and screened by the Higher Education Commission before a recommendation is presented to legislative and executive budget officials.

WHERE TO GET IT—With new spending requests piling up, the search for new money-making plans is ranging far and wide.

Four broad-based tax plans are being considered by tax hunting sub-committee of the Governor's State Finance Advisory Commission.

They are: (1) a payroll tax paid half by employers, half by employees, (2) a utilities customers tax adding a percentage to all utility bills, (3) a business activities tax which would combine some of the features of payroll, gross receipts and corporate income taxes and (4) a transfer which would be similar to a sales tax.

Other ideas suggested to the panel include higher taxes on liquor and beer, sales tax on soft drinks and restaurant meals and a tax on sporting events.

L. B. Blankinship Now Stationed at At San Diego

San Diego, Calif.—Layne B. Blankinship, fireman USN, son of Mr. and Mrs. T. C. Blankinship of 53 SW Avenue H, Hamlin, Texas, is serving in the Training Administrative Department at the Fleet Anti-Submarine Warfare School, of San Diego, California.

He reported to San Diego July 1 from the amphibious assault ship USS Princeton.

Before entering the Navy in September, 1959, Blankinship graduated from Hamlin High School.

Drownings continue to make the headlines as a major cause of rural deaths. The Texas Farm and Ranch Safety Council urges all citizens to follow water safety rules and stop the needless losses.

FOUR AMENDMENTS TO BE VOTED ON IN ELECTION IN NOVEMBER

Texas voters should look to the month of November 1960, as another time of decision, for it is in this month which a General Election will be held.

At this time a new President will be elected. His running-mate, the Vice President, on the Democratic ticket will be a Texan. All other elective offices, both National and State will likewise be voted upon.

There will be much pre-election campaigning and ballyhoo by both Democratic and Republican candidates. And, because of the publicity in the

newspapers, and on radio and TV, interested voters will be afforded ample opportunity to study the various candidates and their respective platforms.

At same time Texans will be again called upon to amend their constitution, but the four propositions which will be submitted for approval or rejection are not likely to attract as much attention as the candidates.

Nevertheless, these amendments should be carefully studied by every voter, because each involves matters of finance even though the specific subject matter of the amendment is unrelated. The amendments will be headed as follows: "Proposed Constitutional Amendment to be voted on at an election to be held on November 8, 1960."

Amendment No. 1 would authorize the Legislature to create a Hospital District including Lamar and Hidalgo Counties, and County Commissioners' Precinct No. 4 of Comanche County.

Amendment No. 2 would increase to three and one-half per cent (3½%) the maximum permissible interest rate on bonds hereafter issued by the Veterans' Land Board.

Amendment No. 3 would allow an annual salary for Members of the Legislature not to exceed \$4800 per year, and a per diem allowance of not more than \$12.00 per day for the first 120 days only of each regular session, and for 30 days of each Special Session of the Legislature. The Regular Session would be limited to 140 days.

Amendment No. 4 would give the Legislature authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest.

Voters should study these amendments carefully, and watch their newspapers for further discussions of these amendments. Above all, plan now to vote!

Lt. Cdr. C. R. Davis Takes Part in Naval Warfare Exercises

Navy Lt. Cdr. Calvin R. Davis, son of Mrs. Mamie M. Davis of 133 Avenue D, S. W. Hamlin, Texas, and husband of the former Miss Ruby J. Stevenson of Roby, serving with Patrol Squadron 9, took part in a point Canadian-American anti-submarine warfare exercise from July 21 through August 3 off the West Coast of the U.S. and Canada.

Two American anti-submarine warfare groups headed by two aircraft carriers joined with six Royal Canadian destroyer escorts and supporting supply ships to provide the seagoing forces. Air units from Whidbey Island, Washington, Alameda and North Island, California, also joined in the operation.

County Agent Attends Workshop

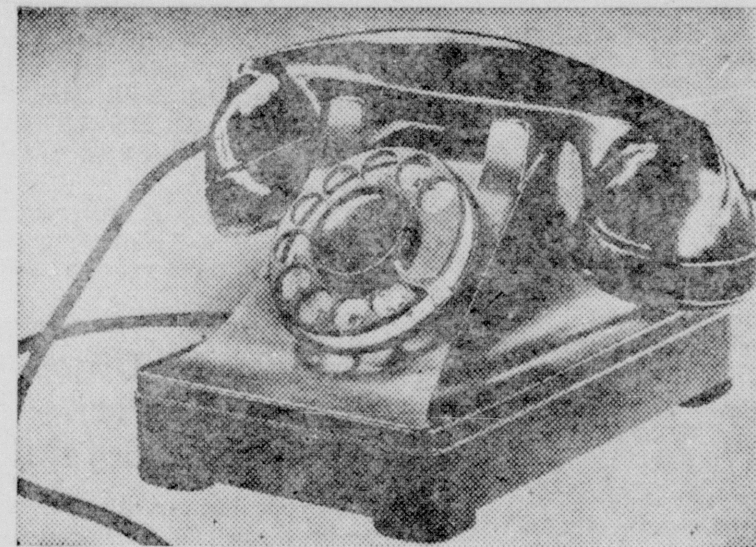

Jones County Home Demonstration Agent, Mary Y. Newberry was in Ft. Worth August 8-10 where she attended a training workshop conducted at the Singer Shop. "Getting the Most Out of Your Sewing Machine" was the theme of the workshop.

The training received at this workshop

meeting will be given later Jones County to the 4H and leaders who will in turn instruct 4H club girls on the of the sewing machine.

Several home demonstration agents in District III, as well as clothing specialists from M College attended the meeting.

Some people get there by pushing others by push.

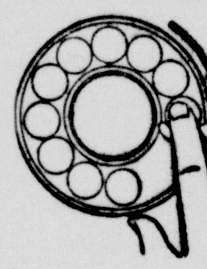

HOW TO USE YOUR NEW Dial Telephone

August 21 is "Dial Day"

Until then, continue to give Your calls to the operator

YOU'LL FIND IT'S EASY TO DIAL—HERE'S HOW

1. Place the receiver to your ear and listen to the steady hum of the dial tone.
2. Suppose you want to call number SP ring 4-8019. Place your finger in the dial opening where you see the letter "S." Pull the dial around until your finger strikes the finger stop.
3. Remove your finger and let the dial spin back freely.
4. Next dial the letter "P" in the same manner.
5. Do the same for each of the figures, in order "4-8-0-1" and "9."

When you have finished dialing, you should hear a burr-rr, the ringing sound. If the line is busy, you will hear a fast buzz-buzz.

If you hear the busy signal, or if you hear neither sound, hang up. Wait a few moments, then try the call again.

We know you will like the speed, convenience, and dependability of dial service. When the new dial system goes into operation here August 21, Hamlin will have the finest, most modern telephone service available anywhere.

200 Are Expected At Baptist Youth Camp at Lueders

LUEDERS—Plans are being made for an attendance of about 200 youngsters at the youth camp for District 17 of the Baptist General Convention of Texas, to be held at the Lueders Baptist Encampment Aug. 15-18.

District 17 includes 11 counties—Kent, Stonewall, Haskell, Fisher, Jones, Shackelford, Stephens, Nolan, Taylor, Callahan and Eastland.

Hardin-Simmons University students and staff members will fill most of the leadership roles at the encampment. The Rev. Byron Bryant, director of public relations for H-SU, will be camp director, and John Petry, Baptist Student Union secretary at the university will be the program chairman.

Six H-SU students will assist. They are Jerry Hitt of Post, pianist; Donice Johnson of Elbert, recreation director; Tom Mosley of Fort Worth, music

director; Court Shepard of Abilene, speaker; Ron Smith of Slaton, speaker, and Danny Yearry of Cleburne, speaker.

In addition, Dr. Billy P. Smith, associate professor of Bible, H-SU, will be Bible teacher for the encampment, and Don Timberlake of Stamford, a 1960 graduate of H-SU will be in charge of the camp's talent show and fellowship. The Rev. Hal Haralson, H-SU field representative, will serve as the encampment dean. Katherine McBride, youth worker for the First Baptist Church of Abilene, will conduct the morning watch program.

Program for the encampment will emphasize Christian maturity and the development of Christian ideals in practical application, the Rev. Bryant said. Theme will be "In Favor with God and Man."

The youth speakers will be heard each evening. Morning assemblies will include panel discussions on Christian life, and evening "Teen Talks" are scheduled.

Local School May Accept Children Underage This Fall

At this time, the administration and the school board of Hamlin Public Schools do not know the number of first grade students who will be starting school in September. Superintendent C. F. Cook has requested parents who have children who are not yet six years old but will be by January, 1961, and desire to have them attend school in Hamlin this year to contact him or Mrs. Fred Smith.

There is a possibility that the children will be accepted if there is enough room for them. The children will be required to take a readiness or aptitude test in order to determine if the child is ready and mature enough to start school.

E. M. Connell, County Superintendent, will give tests for the children in the Anson Elementary School building at 9:00 a.m. Wednesday, August 24.

A tuition fee of \$10.00 per month in advance will be charged for each child who attends school and is under age.

It is important that parents of under age children contact Supt. Cook or Mrs. Smith so that they can determine the number interested in the program.

Foursquare Church Special Youth Service Sunday

A special service for young people is planned at the Foursquare Gospel Church in Hamlin Sunday morning when the speaker will be Miss Rachel Longanecker of Los Angeles, California.

Miss Longanecker, as a Cadet Field Representative, works with children from ages 7 through 12. She is also a teacher in a public school in Los Angeles and teaches in LIFE Bible College there.

She presents a unique program using puppets, color slides, and other visual aids. She will also present special music.

Rev. Don McCamish, pastor, invites the public to attend the 11 a.m. service.

Miss Inez LaBaume of Sweetwater visited with her mother, Mrs. C. E. LaBaume, during the weekend.

Mr. and Mrs. Hilton Perdue of Clyde visited with his brother, Mack Perdue and Mrs. Perdue Sunday afternoon.

Mr. and Mrs. John Rowland and Melanie of Houma, La. are visiting their parents, Mr. and Mrs. Cecil Brown and Mr. and Mrs. Brad Rowland.

'THE MOUNTAIN ROAD' COMING SUNDAY TO HAMLIN THEATRES

Producer William Goetz, maker of "Sayonara" and of "Song Without End," the story of Franz Liszt, will soon be presented at the Ferguson and the Hamlin Drive-In Theatres starting Sun, by the new James Stewart drama, "The Mountain Road." The new Goetz production for Columbia Pictures co-stars lovely Chinese actress Lisa Lu, Glenn Corbett and Henry (Harry) Morgan.

Stewart plays an Army major who commands an eight-man demolition team charged with blowing up bridges, roads and villages in the path of the oncoming Japanese in China during World War II. His task is enormously complicated by the desperate refugees fleeing from the invaders, by deserters from the Chinese Army who prey on everyone, and by the

panic and indecision that is everywhere.

Convinced that his is a key delaying action, vital to the larger war effort, Stewart proceeds with his lonely task, stripping all emotion from his heart and all physical obstacles from his path. He blows a vital bridge, scorches the earth and even, in a moment of fury, blasts the innocent inhabitants of a village that contains Chinese Army deserters who have killed some of his men. It remains for Miss Lu to teach him the one lesson he hasn't learned: compassion for the unfortunate on "The Mountain Road."

Stewart is said to be a towering figure as the almost fanatical major determined to carry out his difficult orders. As the girl who brings him the gift of love and the greater one of compassion, Miss Lu is said to project both loveliness and intelligence in the interpretation of her role. Corbett plays a soldier, an ill-fated friend of the Chinese, and Morgan, a hard-bitten sergeant in Stewart's demolition crew. Frank Silvera and James Best are featured as a Chinese Army colonel and as a member of the demolition squad, respectively.

McCAULLEY NEWS

By DIXIE BOYD
The First Baptist Church of McCauley held dedication services Saturday between 2 and 5 p.m. The people are very proud of their new building.

Mr. and Mrs. Luther Reector have gone to visit their daughter and family, Mr. and Mrs. Overton and Dana of Galveston.

Mr. and Mrs. James S. Potts moved to McCauley this week. Rev. R. D. Rhoads is holding the summer revival at the Baptist Church. Rev. Rhoads is pastor of the First Baptist of Goree. He graduated from Hardin-Simmons University. He is also a senior student at Southwestern Baptist Theological Seminary of Fort Worth. The morning services are held at 10 o'clock and evening services at 8.

McCauley School opens on August 29.

A son, weighing 6 lbs., 3 1/2 ounces was born to Mr. and Mrs. Talmage Higginbotham in the Malone Hogan hospital of Big Spring, Texas, Friday, August 5, 1960. He was named Davin Scott. Mrs. Higginbotham is the former Gayle Bishop, the daughter of Mrs. W. B. Britton of Hamlin, Texas.

Mrs. Joe McCrary To Leave Sunday On Tour of Europe

Mrs. Joe McCrary will leave this weekend for an Olympic Games Tour which will include planned activities in seven countries. The 30 day tour begins August 14 and ends September 12.

The traveling party includes 12 persons who will meet in Dallas Sunday.

Mrs. McCrary's companion will be Miss Dorothy Cox of Terrell. Another member of the party is Mrs. Fern Robertson from Aspermont.

From Dallas the group will fly to New York where they will leave Idlewild Airport via KLM DC-8 Jet non-stop for Amsterdam. Other points which are included on the tour are London, Paris, Cologne, Rhine River, Heidelberg, Lucerne, Vienna and Rome.

Olympic Games begin August 31 through September 11 in Rome.

On September 10, eight of the party will take a side trip from Rome to Munich and then on to Oberammergau where they will spend the night and see the Passion Play. From there they will go to Holland and then return home.

Mr. and Mrs. C. E. Kirkman and Sarah Katherine of Baytown were guests of the Joe A. Simpson's for several days last week.

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 6 proposing an Amendment to Section 11, Article XVI of the Constitution of the State of Texas, so as to give the Legislature authority to classify loans and lenders, license and regulate lenders, define interest, fix maximum rates of interest, and provide for a maximum rate of interest of ten per cent (10%) per annum in the absence of legislation setting maximum rates of interest; providing that the rate of interest shall not exceed six per cent (6%) per annum in contracts where no interest rate is agreed upon; providing for the right of appeal and trial de novo in the event any regulatory agency cancels or refuses to grant any permit; providing for the necessary election and the form of the ballots; and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 11, Article XVI of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 11. The Legislature shall have authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest; provided, however, in the absence of legislation fixing maximum rates of interest all contracts for a greater rate of interest than ten per centum (10%) per annum shall be deemed usurious; provided, further, that in contracts where no rate of interest is agreed upon, the rate shall not exceed six per centum (6%) per annum. Should any regulatory agency, acting under the provisions of this Section, cancel or refuse to grant any permit under any law passed by the Legislature; then such applicant or holder shall have the right of appeal to the courts and granted a trial de novo as that term is used in appealing from the justice of peace court to the county court."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1960, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment giving the Legislature authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest; and providing for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation fixing maximum rates of interest."

"AGAINST the Constitutional Amendment giving the Legislature authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest; and providing for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation fixing maximum rates of interest."

Section 3. The Governor shall issue the necessary proclamation for the said election and have the same published as required by the Constitution and laws of this State.
